

Computer Programming

Flowchart

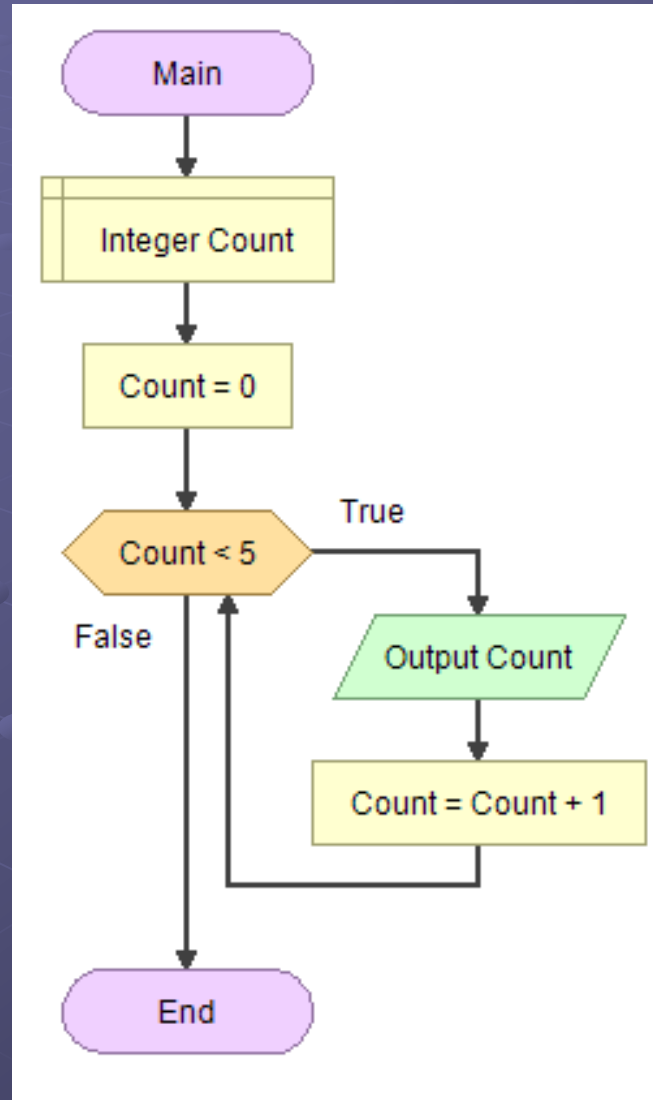

Objectives

- ❏ **Flowchart**
- ❏ **Calculations**
- ❏ **Decision Making (Selection)**
- ❏ **Iteration (Repetition)**

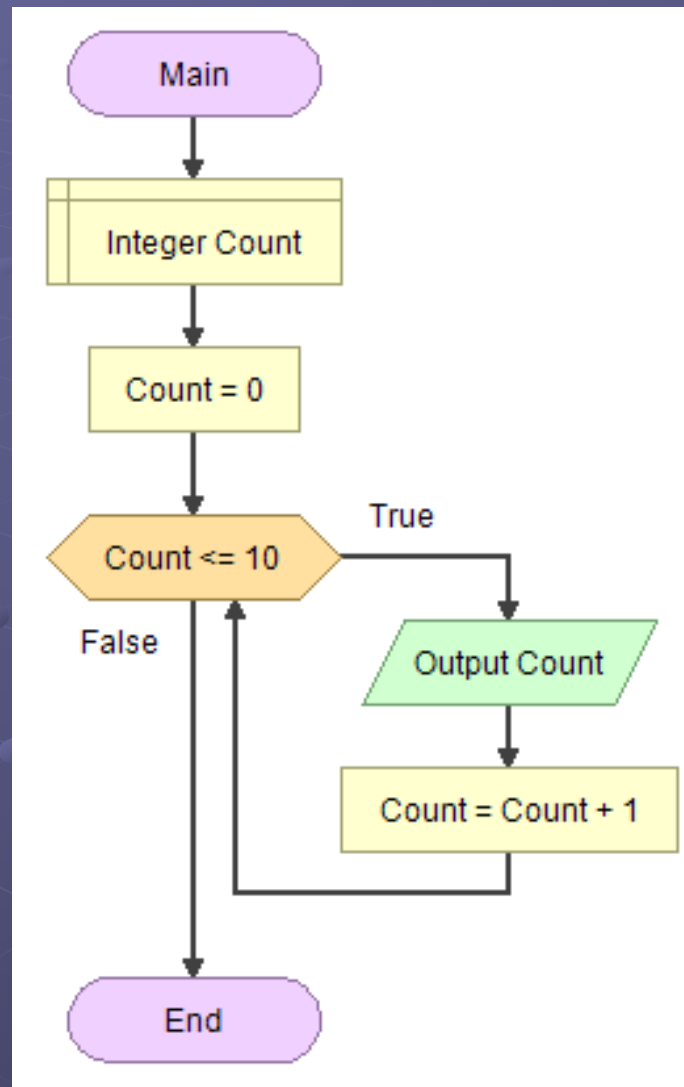

Iteration (Repetition)

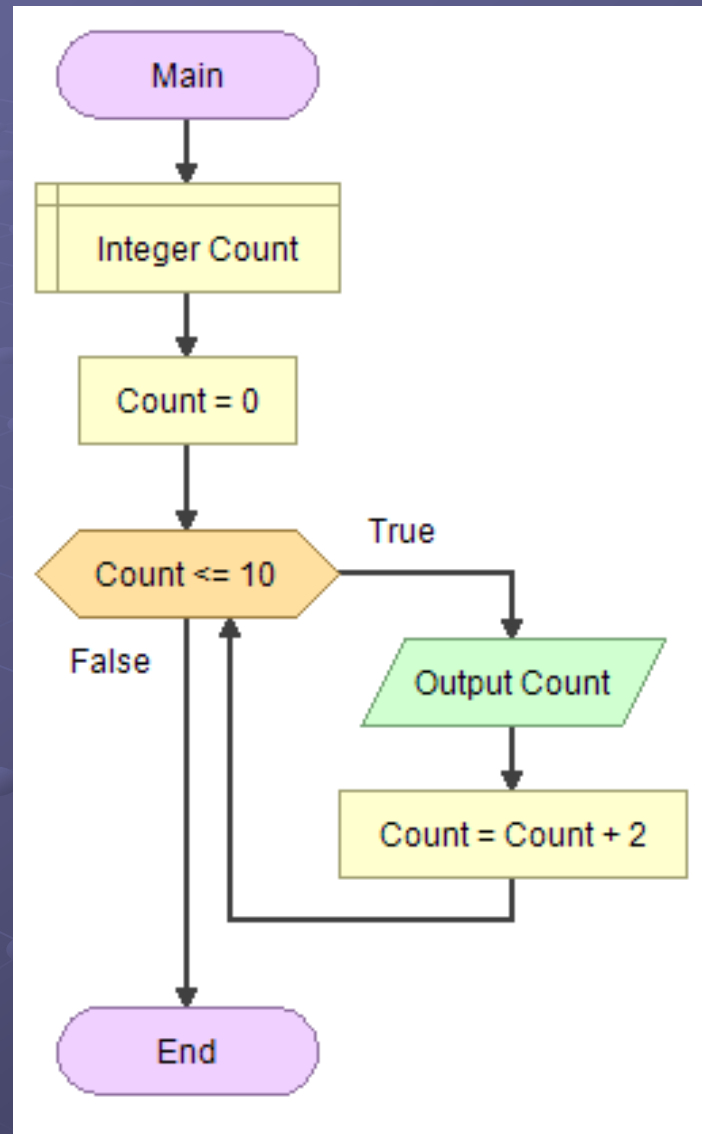

Example: Print numbers from 0 to 4

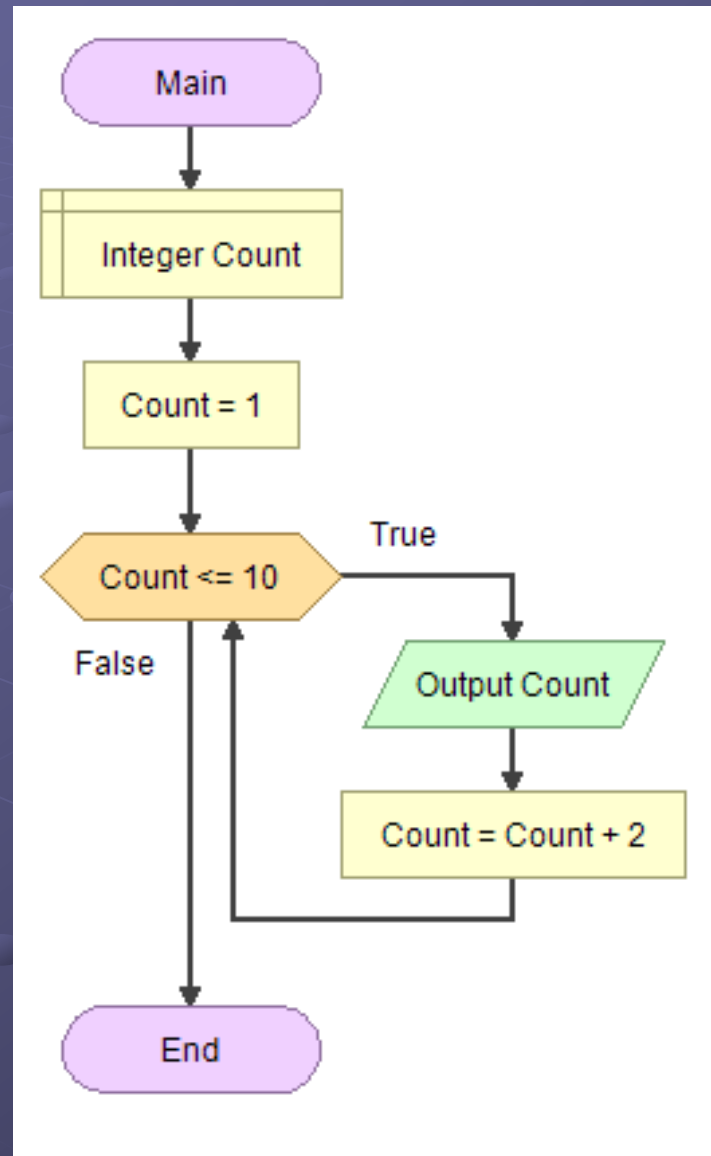

Example: Print numbers from 0 to 10

Example: Print even numbers from 0 to 10

Example: Print odd numbers from 0 to 10

Example: Print the summation of the numbers from 0 to 10
