

MEHAD ANAS MOHAMED GOMAA HAGGAG

Personal Information

Nationality : Egyptian

Place of birth : Benha, Egypt

Birth Date : December 19, 1991

Marital Status : Single

Profession : Assistant Lecturer

Languages : Arabic (Native speaker)

English (Fluent)

Deutsch (Basic skills)

Office address : Benha University, Faculty of Engineering at
Shoubra, Surveying Engineering Department, 108
Shoubra Street, Cairo, Egypt.

Zip/Postal code: **11629**, Fax. (+202) 22023336

Home Address : 14 El-Madina El-Monawwara St., Villas,
Banha, Al Qalyubia Governorate, Egypt;

Zip/Postal code: **13512**

Official Website:

Academic Degrees

M.Sc. Photogrammetry and Remote sensing, Mar 2019,
Benha University, Cairo, Egypt.

B.Sc. Surveying Engineering, July 2012, Benha University,
Cairo, Egypt.

Professional Experience

- May 2019 – present : Assistant Lecturer of photogrammetry and remote sensing at Surveying Engineering Department, Faculty of Engineering at Shoubra, Benha University, Cairo, Egypt.

- May 2019 – present : Assistant Lecturer of photogrammetry and remote sensing at Surveying Engineering Department, Faculty of Engineering at Shoubra, Benha University, Cairo, Egypt.
- 2019 - 2020 : Coordinator of the Scientific Research Standard , Quality Assurance Unit, Shoubra faculty of engineering, Benha University, Cairo, Egypt.
- 2018 - 2019: Member of the Committee for the Postgraduate Studies and Scientific Research Standard, Quality Assurance Unit, Shoubra faculty of engineering, Benha University, Cairo, Egypt.
- 2014-2015 : Member of the Academic Standards Committee, Quality Assurance Unit, Shoubra faculty of engineering, Benha University, Cairo, Egypt.
- 2013 - 2014: Participated in preparing the courses specifications of the Surveying Engineering Department at Shoubra faculty of engineering, Benha University, Cairo, Egypt.
- 2012 -2013: Participated in preparing the self-study for Shoubra faculty of engineering, Benha University, Cairo, Egypt.
- August 2012 – May 2019: Demonstrator at Surveying Engineering Department, Faculty of Engineering at Shoubra, Benha University, Cairo, Egypt.

Research interests

Automation, Image Based Modeling (IbM), Dense image matching, True orthoimage generation.

Publications

Towards automated generation of true orthoimages for urban areas.

Teaching Experience

Course Code	Course Title	Academic Years
SUR211	Surveying & Mining	2017 – 2018
SUR212	Photogrammetry (1-A)	From 2013 to 2017
SUR215	Cartography & Laws	2017 – 2018
SUR222	Photogrammetry (1-B)	From 2013 to 2017
SUR311	Photogrammetry (2-A)	From 2015 to 2020
SUR312	Geodetic Astronomy	From 2013 to 2018
SUR313	Theory of Errors	From 2017 to 2020
SUR321	Photogrammetry (2-B)	From 2014 to 2020
SUR411	Photo-Interpretation & Remote Sensing	From 2012 to 2020
SUR414	Computer Application (3)	2019 – 2020
SUR421	Advanced Photogrammetry	from 2013 to 2020
SUR343	Close Range Photogrammetry	2013 – 2014

Personal Skills

- Strategic, analytical planners and problem solvers.
- Good at sorting out complex issues.
- Determination.
- Good at listening.
- Takes criticism well.
- Constant thirst for knowledge and understanding.
- Willingness to explore new ways of thinking.
